

Throw It Back

[Pre-Hook: Trip Rexx]

Throw it back, throw it back

Throw it backwards

Drop that ass in my lap

Shake it faster

Beat that ass from the back

Now her back hurt

I put chains on my neck til my back hurt

Throw it back, throw it back

Throw it backwards

Drop that ass in my lap

Shake it faster

I'll put D's on her chest, make her back hurt

I put chains on my neck til my back hurt

[Hook: C100]

Throw it back

Throw it back

Throw it back

Throw it back

Throw it back

Throw it back

Throw it back

Throw it back

Make it clap

Make it clap

Make it clap

Make it clap

Make it clap

Make it clap

Make it clap

Make it clap

[Verse 1: C100]

She make it clap

She make it bounce

Money in my hand and I'm holding large amounts

Packs of Beck's

The strongest loud

3.5 in the blunt

And I'm smoking out the pound

Work, work

Twerk, twerk

If put this Dick in you bet I make you squirt

If I put it in your mouth I bet I make you burp

You a naughty little bitch you need to go to church

[Pre-Hook: Trip REXX]

Throw it back, throw it back

Throw it backwards

Drop that ass in my lap

Shake it faster

Beat that ass from the back

Now her back hurt

I put chains on my neck til my back hurt

Throw it back, throw it back

Throw it backwards

Drop that ass in my lap

Shake it faster

I'll put D's on her chest, make her back hurt

I put chains on my neck til my back hurt

[Hook: C100]

Throw it back

Throw it back

Throw it back

Throw it back

Throw it back

Throw it back
Throw it back
Throw it back
Make it clap
Make it clap
Make it clap
Make it clap
Make it clap
Make it clap
Make it clap
Make it clap
Make it clap

[Verse 2: Trip REXX]

Know what's up
Probably funds that she after
Gospel on the track
I'm a pastor
I could cough on the track
Make a banger
Whole lot in my bag
That shit dangerous
When I talk leavin' rappers in coffins
I'm blacking, I off em
I'm blasting off to the stars
In my rocket
This bad bitch is topping me off
And it's awesome
A whole lotta back there behind her

[Pre-Hook: Trip REXX]

Throw it back, throw it back
Throw it backwards
Drop that ass in my lap
Shake it faster
Beat that ass from the back
