

Drip On Me

[Hook 1]

New drip on me
Threads worth a check, don't drip on me
New kicks, they from Kith on me
Limited edition, don't drip on me
That's drip on me
Bitch step back if you sippin somethin
Saks Fifth type drip on me
Bitch step back, don't drip on me

[Verse 1]

Gold wrist, let it bling on em
Cost a lil rack, that ain't shit for me
Seen ya neck, man that shit phony
That middle of the mall shit won't fool me
Just walked in, now ya chick on me
Like Wayne said, she tryna lick on me
New designer shoes, she was lookin at me
She gon suck my soul out and turn me to a zombie
RIP RIP, dead man walking
I been runnin green miles with the deads on me
Sip sip, now I'm dead zoning
I be living to forget, do it all over
Killed shit since a lil shorty
I been doing this shit way too long
A icon glowing up on ya
Time bomb, homie I'm about to set it off

[Hook 2]

New drip on me
Threads worth a check, don't drip on me
New kicks, they from Kith on me
Limited edition, don't drip on me
That's drip on me
Bitch step back if you sippin somethin
Comme Des Garçons shit on me
Bitch step back, don't drip on me
(Drip on me)
Limited edition, don't drip on me
(Drip on me)

[Verse 2]

Gassed up in my Diesel denim, I got a
Cash lump too big to fit in, I want my
Lump sum, don't reason with me, I need it
Upfront, that's the least you could give me
Without no lip back

I don't want no back and forth, so cut the chit chat
Way too busy snappin on em like a Kit Kat
Ain't got time for hangin out, this ain't no kick back
I might have to throw you out with all the riff raff
White boy, got the drip but I ain't Riff Raff
Pop the white Belaire, yeah you know I sip that
Pot smell in the air, you know I hit that
Put a pop of color in my hair cuz I'm just different
Can't help it baby, I'm a born sinner
When Biggie Smalls died I was already sinnin
Since '95 I been dressing to kill em
Hopped out my moms in some fuckin Raf Simons

[Hook 3]

Bitch step back, don't drip on me
New drip on me
