

I WAS DRUNK Lyrics

[Verse 1]

They might say to y'all
"When it rains it pours"
I don't care at all
Ima stay my course
I just made my voice heard
Now I'm takin over
I drink Herradura
Til I'm bending over, sheesh

[Chorus]

Bitch I'm too lit
I don't wanna drink no more
I can't think no more
Got a lil pink, let's pour
I get screwed up
Why I got 2 cups for?
Ima stack 2 cups more
Gotta get screwed up more

[Verse 2]

Ayy, I don't wanna
Keep on
I don't wanna, I don't wanna
Keep pouring up
I don't wanna
Be gone
I don't wanna, I don't wanna
Be fucked up no more
Bro I can't hold my Clicquot
I'm off this dro, my eyes low
200 proof got me bent over
Baby that's enough

[Chorus x 2]

Bitch I'm too lit
I don't wanna drink no more
I can't think no more
Got a lil pink, let's pour
I get screwed up
Why I got 2 cups for?
Ima stack 2 cups more
Gotta get screwed up more
Bitch I'm too lit

I don't wanna drink no more
I can't think no more
Got a lil pink, let's pour
I get screwed up
Why I got 2 cups for?
Ima stack 2 cups more
Gotta get screwed up more

[Verse 3]

My cups overflowed
I'm up off the floor
Champagne waterfall
My pain washing off
Jameson our the bottle
I just hit it full throttle
I be drinking til I'm nauseous
I be drinking til I'm gone

[Chorus x 2]

Bitch I'm too lit
I don't wanna drink no more
I can't think no more
Got a lil pink, let's pour
I get screwed up
Why I got 2 cups for?
Ima stack 2 cups more
Gotta get screwed up more
Bitch I'm too lit
I don't wanna drink no more
I can't think no more
Got a lil pink, let's pour
I get screwed up
Why I got 2 cups for?
Ima stack 2 cups more
Gotta get screwed up more
